Chandigarh

Summary

An enthusiastic, hard working, confident, creative personality with down to earth gestures, life values and leadership qualities. Love to live freely and enjoy every bit of life.

I am a Biophysicist and has a master's degree in it. I completed my Bachelors and Masters in Biophysics from Panjab University, Chandigarh. I have also done a research project on Antimicrobial Peptide CATH-2.

Currently I am pursuing MBA in Business Analytics from Chandigarh University.

I am also a NCC Cadet (Air Wing). I also volunteered for Vivo IPL 2018 for King's XI Punjab as a Service Provider.
