Strat at Goldman Sachs | CSE '19, IIT Kharagpur
Bengaluru

Experience

Goldman Sachs
Strat Analyst
June 2019 - Present (1 year 3 months)
Bengaluru Area, India

Working with the Systematic Market Making - Execution Services team.

Our team works on providing and maintaining the algorithmic order execution
platforms for house traders and external clients across exchange traded
products in FICC.

Goldman Sachs
Summer Analyst
May 2018 - July 2018 (3 months)
Bengaluru, Karnataka, India

I worked as a software developer with the Systematic Market Making team in
the Securities division. During my internship, I worked on building a reference
data browser from scratch.

Edufyy
Summer Intern
May 2017 - June 2017 (2 months)
Pune, Maharashtra, India

Edufyy is an ed-tech startup based in Pune, India. I was a machine learning
intern and worked on multiple projects during my internship period.

The KGPian Game Theory Society
